## STUDENTS!

**Want an expenses-paid trip to the SEG Annual Meeting to Denver this October 2010? Then enter the Romanian Challenge Bowl!**

We invite eight teams of two students (graduate or undergraduate) from any university or college to enter the Romanian Challenge Bowl. The Challenge Bowl will take place during the 1<sup>st</sup> International Student Conference on Saturday, 24 April March 12<sup>th</sup> at 11:00 and is a chance for geosciences students to display their geophysical and geological knowledge in this fun, rapid fire, push-the-buzzer, who-can-answer-first contest.

Teams will compete against pairs of students from other universities or colleges. The format will consist of single and multiple choice questions from a range of geophysical and geological topics. The prize for the winning team will be an expenses-paid trip to the SEG Annual Meeting in Denver, October 2010, where they will compete in the fifth Annual SEG Challenge Bowl Finals and have the chance to win a cash prize. You will also have the opportunity to network with industry professionals, receive free admission to the SEG Annual Meeting and Technical Sessions, and attend other student related activities.

I hope, by now, you are wondering how you can participate. If you have a team that would like to participate in this exciting and unique event, please select **"SEG Challenge Bowl"** on the Advanced Registration Form. Space is limited, so register now!

If you have any questions regarding this event, please email [cb@seg.org](mailto:cb@seg.org).
